I have discussed with H.M. today the question as to when the New Flag of India should be first hoisted. I understood that that event should take place on the 15th August.

Home Department have to issue instructions to all concerned regarding the flying of the New Flag. Office or I have no authoritative information on this subject. I should be grateful for H.M's instructions if we should proceed forthwith to issue instructions for ~~the~~ flying the New Flag or any other formalities have to be gone through e.g. a formal Cabinet decision approving and adopting the Flag.

"D" In this connection I place a typical enquiry from Defence Department.

SECRETARY.

H.M. considers that in view of the short time available, we need not wait for formal approval of the Cabinet but may act in anticipation of it. But a note may be sent to the Cabinet Secty. intimating the action taken and requesting approval.

The flag to be flown on 15.8.47 would be the new flag approved by the Constituent Assembly.

Instructions should issue to Prov. Govts and Departments. Presumably C.P.W.D. will make arrangements to supply these flags to Depts. Defence Depts. could make their own arrangements through RIN (I remember they furnished the flags in the United Nations Day in 1943).

the flags should preferably be in Khaddar; seeing that a suitable swadeshi cloth should be used.

28/7/47

I shall mention this matter to H.M. I would suggest it does not seem necessary to await his approval of the draft which is generally in conformity with the instructions contained in my note above. But if Secy would like to have H.M.'s approval to the draft as well, I would obtain. This would, however, delay the despatch of the wire tomorrow.

I would suggest the omission of the elaborate instructions to E.A.D. in connection with celebrations as we are doing in the case of Defence Depts to issue appropriate instructions re flag as well.

I also suggest that Defence Depts may issue detailed instructions themselves. If it were left

to local commanders, many waved by different standards ~~particularly~~ and the public might draw their own conclusions.

An informal meeting under the Chairmanship of the Hon'ble Member for Works, Mines and Power was held on 21.7.47 to draw up a tentative programme for the celebrations to be held on the occasion of the inauguration of the new Dominion of India. The following officers were present :-

1. Mr.V.P.Menon, CSI, CIE.,
   Secretary, States Department.
2. Mr.H.V.R.Iengar, CIE., ICS.,
   Secretary, Constituent Assembly.
3. Mr.D.L. Mazumdar, I.C.S.,
   Secretary, Works, Mines & Power Department.
4. Col. D.H.Currie, CIE., OBE., MC.,
   Military Secretary to H.E. the Viceroy.
5. Mr.B.S.Puri, OBE., ISE.,
   Chief Engineer, Central P.W.D.
6. Mr.T.P.Gateley, MBE.,
   Superintending Engineer, Central P.W.D.

2. The following provisional programme was proposed :-

(a) Swearing-in-Ceremony at the Viceroy's House.

H.E. would be sworn in as Governor-General of the new Dominion of India. Hon'ble Ministers would then be sworn in by H.E.

Guns would be fired immediately after the swearing-in is over.

This ceremony will be a purely official function, and all senior officers with their families would be invited.

It was generally agreed that the ceremony should take place at the Viceroy's House. A suggestion was made that this ceremony might take place at the Constituent Assembly Hall, but the consensus of opinion at the meeting was in favour of holding the ceremony at the Viceroy's House - particularly as this would render the incidental function of the State drive from the Viceroy's House to the Constituent Assembly Hall more effective and popular.

(b) After the swearing-in is over, the invitees will proceed immediately to the Constituent Assembly Hall, where

NATIONAL ARCHIVES OF INDIA

where a ceremony to indicate the transfer of Power from H.M.G. to the new Dominion will take place. Shortly afterwards the Hon'ble Ministers and H.E. will drive in State from the Viceroy's House and the Constituent Assembly Hall.

(c) Hand-over ceremony at the Constituent Assembly Hall.

Besides officials and local dignitories, representatives of India States and Provincial Prime Ministers will be invited to this ceremony.

There will be a Guard of Honour of Indian troops as H.E. will alight at the gate leading to the Constituent Assembly Hall. He will be received by the President of the Constituent Assembly who will escort him to the Hall.

At the Hall, the President will introduce H.E. to the Provincial Prime Ministers and perhaps to the leading representatives of the States. (This point will be settled later on).

H.E. will then deliver a speech announcing H.M.G.'s decision to transfer power to the new Dominion of India.

The President of the Constituent Assembly will make a suitable reply.

Immediately afterwards the National Flag will be hoisted on the Constituent Assembly buildings and all public buildings in Delhi.

H.E. will then leave the Constituent Assembly Hall accompanied by the President of the Assembly. He will inspect the Guard of Honour, and drive back in State to the Viceroy's House.

(d) Flag-salutation ceremony near War Memorial Arch.

This ceremony will take place in the evening between 5 and 6 P.M.

This will be a public function and seating arrangements on a fairly large scale will have to be made along the Central Vista. The military bands will play. H.E. will drive in

NATIONAL ARCHIVES OF INDIA

(12)

State from the Viceroy's House to the War Memorial Arch and inspect a Guard of Honour of Indian troops.

H.E. will then hoist the National Flag to the accompaniment of the firing of Guns.

He will then haul down the Union Jack when the Royal Salute will be given.

A march-past of troops will follow.

H.E. will then drive back in State to the Viceroy's House.

(c) Celebrations at night.

Illumination and flood-lighting of the principal public buildings in Delhi, together with the War Memorial Arch and the ~~xxxxxxxxxxx~~ fountains will be undertaken by the Electrical Wing of Central Public Works Dept.

There will also be an exhibition of fireworks near the Great Place between 8 and 9-30 p.m.

3. It was agreed that, if possible, sweets and Commemoration (Independence) Medals should be distributed among school children. As time was very short, it was doubtful if it would be possible to strike the medals in course of the next few days. Necessary enquiries would, however, be initiated atonce.

4. Publicity arrangements will have to be undertaken in consultation with P.I.O. and All-India Radio. All the principal ceremonies should be filmed.

5. Military Secretary's office will work out the details of the ceremonies - paras 2(a), 2(c) and 2(d). Central P.W.D. will be responsible for decorations, seating arrangements, supply of National Flags to public buildings, arrangements for fire-works and connected activities. Superintending Engineer, Electricity, CPWD, will be responsible for all lights and illumination.

22. Mr. R.P.Barman, I.SE.,S.E., Central P. W.D.

H.E. Military Secretary to the Viceroy read out a statement about the programme connected with the Swearing-in ceremony at the Government House, the State Drive to Constituent Assembly and functions in the Constituent Assembly, and the Flag hoisting ceremony in the evening at Princes -

Princes Park, and suggested the timings of the various ceremonies as well as of the fire works and the State Banquet and reception at Government House. Provisional agreement was arrived at fixing 9.30 a.m. for commencement of the ceremony at the Government House and 11.30 a.m. at the Constituent Assembly Hall, and Col.Currie undertook to give a detailed programme at the next meeting on the 30th inst.

2. It was gathered that the Home Dept. desired the function at the Government House to be attended by as many people as possible. It was provisionally agreed that officers up to the rank of Assistant Secretary would be invited, and that Mr.Tyabji would ascertain from the President of the Constituent Assembly whether members of that Assembly would like to attend. In that event officers' wives would be omitted. The Deputy Commissioner, Delhi, undertook to furnish the names of officers to be invited from the Delhi Administration. There would be 780 seats in the Darbar Hall, of which 80 would provisionally be allotted to the Press, 300 to the Constituent Assembly members and 400 to officials.

3. With regard to the hoisting of the National Flags, it was the sense of the Committee that it should be done simultaneously at about 11-30 a.m. as soon as the reply to Governor-General's speech ended and when the guns started firing. The C.P.W.D. would hoist the flags on the Council House also on that day. The consensus of opinion also favoured the flag on the Red Fort and Government House to be hoisted simultaneously. Col.Currie, Mily.Secy. to H.E. the Viceroy was against the proposal of the Delhi Flying Club to shower flowers from the air on the State procession.

4. With regard to the evening celebrations, it was expected that a fly-past by a squadron of the Indian Air Force could be arranged, but the programme was so crowded and time so short that mass bands and a night tatoo would be impracticable. After the National Flag had been unfurled at about 6-30 p.m. suitable time should be found for singing Indian National songs like "Bande Matram", "Jhanda Uchcha Rahe Hamara", "Jan Ginn Man",etc. The fire works will be at 7-45 p.m.; State Banquet at 8-45 p.m. and

NATIONAL ARCHIVES OF INDIA

and Reception at 10 p.m. Exact timings and full details are expected to be known on the 30th inst. from Col.Currie,M.S.to H.E. the Viceroy.

5. National Flags. As supplies are not expected to be available before the 5th August, it was suggested that E.A. & C.R. Dept. may send out sample flags to Ambassies overseas, who might make local arrangements for themselves. Departmental requisitions have not been received so far in many instances and a second circular letter will go out indicating to them the sizes and prices as soon as these are finalised. For residential buildings and for Government servants generally, flags will be on sale and it is necessary that the requirements of different departments should be known as early as possible. The proposal to print 2 lacs of miniature paper flags, was abandoned but private trade should be informed through suitable channel (P.I.O.) so that they may cater to public demand in this respect.The sizes proposed now are - 12' X 6'; 6' X 4'; 3' X 2' and 9" X 6". All these will be of cotton cloth, except those for Constituent Assembly Hall and Flag Hoisting Ceremony in Princes Park where they should be of pure hand-spun silk or pure hand-spun khadi. Mr. Barman, S.E.,CPWD., was requested to undertake all the arrangements in connection with the Flags.

6. Mela and Fire works. The plans of this Committee were reviewed and the expenditure was roughly estimated as follows -

(i) Fire works - Rs.20,000/-; to be displayed near Central Vista on the 15th evening and near Red Fort on the 16th evening. These would be on a very large scale. It was not considered advisable to have a large number of small displays.

(ii) Sweats to school children - Rs.10,000/-.

The proposed'Mela' was abandoned in view of the crowded programme. The Superintendent of Education, Delhi, and some Heads of Educational Institutions may be co-opted by this Committee to assist in distribution of sweets in schools,either on 14th or 19th August.

7. Independence Medals. Mr. Gupta stated that he had discussed with the Mint Master, Bombay, a proposal for striking Independence Medals -

NATIONAL ARCHIVES OF INDIA

(16) -15-

Medals within the short time at our disposal and had ascertained that it would be possible, provided some standard size was adopted and the design was fairly simple and orders placed immediately. After a long discussion the consensus of opinion was in favour of striking one lac medals and confining distribution to Delhi Province including free distribution in all schools, convents, etc. in Old and New Delhi to all school children. A certain proportion would be reserved for Govt.of India staff for sale at a moderate price (perhaps -/8/-)and a certain proportion would be placed at the disposal of Deputy Commissioner,Delhi, for sale to the public as he requested for this. The proceeds out of the sale to Central Government servants would be credited to Central Revenues and that realised by Deputy Commissioner would be devoted to public educational purposes. With regard to the design, it was suggested that 'AZAD HIND' or its equivalent may be stamped on one side in Hindi, English and Urdu, with the date; the other side carrying the National Flag. The Secretary, W.H.P.Dept.(India), would take steps to obtain higher approval for the design. A Committee to be convened by Deputy Commissioner,Delhi, and including the Superintendent of Education, Delhi,Ajmer & Merwara, and such other members as may be co-opted, would settle the detailed distribution.

8. Flag Hoisting Committee. The proposals of this Committee were reviewed and certain modifications were suggested to the proposed platform by Col. Currie. The route of the Viceregal procession was also discussed and detailed proposals will be finalised on the 30th inst. Mr. Barman was asked to prepare a modified plan of the platform and the seating blocks accordingly. It was agreed that 8000 chairs should be provided and that invitations should issue up to Assistant Secretary's level. Chairs will be earmarked accordingly on the principle that each officer will be allotted upto a maximum of three seats. Police arrangements will be made available by the Senior Superintendent of Police, Delhi, from 10th August onwards. This Committee will also co-opt Mr.Randhawa, who agreed to assist in securing chairs on hire.

9. -

NATIONAL ARCHIVES OF INDIA

9. Invitation Committee. Mr. Raman of the Home Dept. was co-opted as a member and was requested to prepare lists of the Govt. of India officers to be invited to the Flag Hoisting Ceremony by the 30th inst.

10. Publicity. A Publicity Sub-Committee was formed consisting of the following -

Mr. M.A.Hussain, ICS., Dy.Secy., I.& B.Dept.(India).

The P.I.O., Govt. of India, (or A.P.I.O. attached to W.H.P. Dept.)

Mr. B.F.H.B.Tyabji, ICS., Dy.Secy., Constituent Assembly.

Mr. R.P. Barman, S.E., CPWD.

Press Attache to the Viceroy's House.

This Committee would finalise the details for filming of the principal ceremonies as well as press publicity for the arrangements from now onwards. It was generally agreed that the maximum possible accommodation should be allowed to the Press and film units, both in Government House and Constituent Assembly, as well as at the evening functions. Films of the State Drive and other ceremonies should be taken for the World News Reels.

The next meeting of the Celebrations Committee will be held at 3 p.m. on 30th instant in room No. 156, North Block Sect.

11. Copies of this should go to all Members of the Celebrations Committee as well as to all the Secretaries of the Government of India Departments.

2. The minutes of the previous meeting were confirmed but it was pointed out by Col. Currie that information had been received from Mr. V.P. Menon that 15th morning was considered inauspicious for the swearing-in ceremony. Further enquiries were in progress and it was likely that ~~the~~ the ceremony may be fixed for one minute past mid-night between 14th and 15th August.

3. Lala Deshbandhu Gupta raised the question of the arrangements for the flag hoisting ceremony at the Red Fort. It was provisionally considered after discussion that the timings of different ceremonies might be as follows, if the swearing-in-ceremony came off at mid.night-

15th August- 8 a.m. to 9 a.m.-Ceremonies in the Constituent Assembly.
9.30 a.m. - Flag hoisting at the Red Fort.
10.30 a.m. - Flag hoisting at the New Delhi Municipal Committee.

NATIONAL ARCHIVES OF INDIA

(19)

4. Lala Deshbandhu Gupta suggested that there should be a march-past by troops or mechanised units in the Red Fort and also that march by troops should be arranged in the city on the 15th morning. Col Currie was rather doubtful if such a crowded programme for troops could be carried through. After discussion it was suggested that Lala Deshbandhu Gupta might take up the question with the Defence Department who in the original meeting at H.M. W.M. & P's house were given the responsibility for Flag Hoisting at the Red Fort.

5. Col Currie gave an outline of the Governor-Gneral's programme on the 15th and it was agreed that he and Mr. Tyabji will settle the details of seating in the Constituent Assembly. It was estimated that for the after-dinner Reception in Government House about 1,000 people would be invited.

6. Flag Hoisting Ceremonies. Mr. Hussain undertook to arrange with the A.I.R. for the provision of Indian orchestra for singing National songs for 10 minutes by the staff parties and girls. Arrangements for loud speakers will have to be made by the C.P.W.D. at Princes Park. A rehersal of the ceremonies at Princes Park will be undertaken by mutual arrangement between C.P.W.D. the Military and Police authorities, whenever Col Currie suggests.

7. Review of Sub-Committee's work -

(i) Flag Hoisting - It was reported that pure Khadi flags were desired for the principal Government buildings and Mr. Barman was asked to arrange accordingly. He undertook to specify the prices and measurements of different kinds of flags within a day or two.

(ii) Mela, Fire Works and sweats. S.B. Bahadur Singh and the Superintendent of Education stated that Rs.15,000/- would be required for distribution of sweats to

P.T.O.

NATIONAL ARCHIVES OF INDIA

(-20-)

to primary school and childrens' convents and this amount was considered reasonsable on the basis of about -/4/- per child. The sweats should be distributed on the 15th morning. It was re-affirmed that about 70,000 medals will be distributed free to each school student, preferably on the 15th morning, and if they are not received by that time, on the 19th morning, when schools reopen. The proposal to allow installation of some joy-ride wheels, water stalls and other incidental amenities, at a rough estimate of upto Rs.2,000/-, on 15th evening was agreed to.

(iii) Invitations. M.S.V. and Secretary, Constituent Assembly(India) will issue invitations for functions at Viceroy's House and Constituent Assembly respectively, and Home Department's circular to all Departments enquiring names of different grades of officers will form the basis for invitations in respect ofthe Flag Hoisting Ceremony. Full instructions to the guests with regard to the ceremony will be printed on the invitation cards.

It was agreed to that the chairs in Princes Park will be arranged in such a way that rows behind will be progressively slightly higher than the front rows. The necessary brick work will be done by the C.P.W.D.

(iv) It was agreed that an appeal should be made to the general public to have illuminations on private houses on the 15th evening. H.E. the Viceroy's Military Secretary read out a statement about the programme connected with the Swearing-in ceremony at the Government House, the State Drive to Constituent Assembly, and functions in the Constituent Assembly, and the Flag hoisting ceremony in the evening at Princes -

NATIONAL ARCHIVES OF INDIA

Princes Park, and suggested the timings of the various ceremonies as well as of the fire works and the State Banquet and reception at Government House. Provisional agreement was arrived at fixing 9.30 a.m. for commencement of the ceremony at the Government House and 11.30 a.m. at the Constituent Assembly Hall, and Col.Currie undertook to give a detailed programme at the next meeting on the 30th inst.

2. It was gathered that the Home Dept. desired the function at the Government House to be attended by as many people as possible. It was provisionally agreed that officers up to the rank of Assistant Secretary would be invited, and that Mr.Tyabji would ascertain from the President of the Constituent Assembly whether members of that Assembly would like to attend. In that event officers' wives would be omitted. The Deputy Commissioner, Delhi, undertook to furnish the names of officers to be invited from the Delhi Administration. There would be 780 seats in the Darbar Hall, of which 80 would provisionally be allotted to the Press, 300 to the Constituent Assembly members and 400 to officials.

3. With regard to the hoisting of the National Flags, it was the sense of the Committee that it should be done simultaneously at about 11-30 a.m. as soon as the reply to Governor-General's speech ended and when the guns started firing. The C.P.W.D. would hoist the flags on the Council House also on that day. The consensus of opinion also favoured the flag on the Red Fort and Government House to be hoisted simultaneously. Col.Currie, H.E. Mily.Secy. to the Viceroy was against the proposal of the Delhi Flying Club to shower flowers from the air on the State procession.

4. With regard to the evening celebrations, it was expected that a fly-past by a squadron of the Indian Air Force could be arranged, but the programme was so crowded and time so short that mass bands and a night tatoo would be impracticable. After the National Flag had been unfurled at about 6-30 p.m. suitable time should be found for singing Indian National songs like "Bande Matram", "Jhanda Uchcha Rahe Hamara", "Jan Ginn Man",etc. The fire works will be at 7-45 p.m.; State Banquet at 8-45 p.m. and

NATIONAL ARCHIVES OF INDIA

and Reception at 10 p.m. Exact timings and full details are expected to be known on the 30th inst. from Col.Currie,M.S.to H.E. the Viceroy.

5. National Flags. As supplies are not expected to be available before the 5th August, it was suggested that E.A. & C.R. Dept. may send out sample flags to Ambassies overseas, who might make local arrangements for themselves. Departmental requisitions have not been received so far in many instances and a second circular letter will go out indicating to them the sizes and prices as soon as these are finalised. For residential buildings and for Government servants generally, flags will be on sale and it is necessary that the requirements of different departments should be known as early as possible. The proposal to print 2 lacs of miniature paper flags, was abandoned but private trade should be informed through suitable channel (P.I.O.) so that they may cater to public demand in this respect.The sizes proposed now are - 12' X 6'; 6' X 4'; 3' X 2' and 9" X 6". All these will be of cotton cloth, except those for Constituent Assembly Hall and Flag Hoisting Ceremony in Princes Park where they should be of pure hand-spun silk or pure hand-spun khadi. Mr. Barman, S.E.,CPWD., was requested to undertake all the arrangements in connection with the Flags.

6. Mela and Fire works. The plans of this Committee were reviewed and the expenditure was roughly estimated as follows -

(i) Fire works - Rs.20,000/-; to be displayed near Central Vista on the 15th evening and near Red Fort on the 16th evening. These would be on a very large scale. It was not considered advisable to have a large number of small displays.

(ii) Sweats to school children - Rs.10,000/-.

The proposed'Mela' was abandoned in view of the crowded programme. The Superintendent of Education, Delhi, and some Heads of Educational Institutions may be co-opted by this Committee to assist in distribution of sweets in schools,either on 14th or 19th August.

7. Independence Medals. Mr. Gupta stated that he had discussed with the Mint Master, Bombay, a proposal for striking Independence Medals -

NATIONAL ARCHIVES OF INDIA

(91)

-35-

Medals within the short time at our disposal and had ascertained that it would be possible, provided some standard size was adopted and the design was fairly simple and orders placed immediately. After a long discussion the consensus of opinion was in favour of striking one lac medals and confining distribution to Delhi Province including free distribution in all schools, convents, etc. in Old and New Delhi to all school children. A certain proportion would be reserved for Govt.of India staff for sale at a moderate price (perhaps -/8/- and a certain proportion would be placed at the disposal of Deputy Commissioner,Delhi, for sale to the public as he requested for this. The proceeds out of the sale to Central Government servants would be credited to Central Revenues and that realised by Deputy Commissioner would be devoted to public educational purposes. With regard to the design, it was suggested that 'AZAD HIND' or its equivalent may be stamped on one side in Hindi, English and Urdu, with the date; the other side carrying the National Flag. The Secretary, F.&P.Dept.(India), would take steps to obtain higher approval for the design. A Committee to be convened by Deputy Commissioner,Delhi, and including the Superintendent of Education, Delhi,Ajmer & Merwara, and such other members as may be co-opted, would settle the detailed distribution.

8. Flag hoisting Committee. The proposals of this Committee were reviewed and certain modifications were suggested to the proposed platform by Col. Currie. The route of the Viceregal procession was also discussed and detailed proposals will be finalised on the 30th inst. Mr. Barman was asked to prepare a modified plan of the platform and the seating blocks accordingly. It was agreed that 8000 chairs should be provided and that invitations should issue up to Assistant Secretary's level. Chairs will be earmarked accordingly on the principle that each officer will be allotted upto a maximum of three seats. Police arrangements will be made available by the Senior Superintendent of Police, Delhi, from 10th August onwards. This Committee will also co-opt Mr.Randhawa, who agreed to assist in securing chairs on hire.

9. -

NATIONAL ARCHIVES OF INDIA

9. Invitation Committee. Mr. Raman of the Home Dept. was co-opted as a member and was requested to prepare lists of the Govt.of India officers to be invited to the Flag Hoisting Ceremony by the 30th inst.

10. Publicity. A Publicity Sub-Committee was formed consisting of the following -

Mr. M.A.Hussain,ICS.,Dy.Secy.,I.& B.Dept.(India).

The P.I.O., Govt. of India, (or A.P.I.O. attached to W.&P. Dept.)

Mr. B.F.H.B.Tyabji,ICS.,Dy.Secy.,Constituent Assembly.

Mr. R.P. Barman, S.E., CPWD.

Press Attache to the Viceroy's House.

This Committee would finalise the details for filming of the principal ceremonies as well as press publicity for the arrangements from now onwards. It was generally agreed that the maximum possible accommodation should be allowed to the Press and film units, both in Government House and Constituent Assembly, as well as at the evening functions. Films of the State Drive and other ceremonies should be taken for the World News Reels.

The next meeting of the Celebrations Committee will be held at 3 p.m. on 30th instant in room No. 156, North Block Sect. 11. Copies of this should go to all Members of the Celebrations Committee as well as to all the Secretaries of the Government of India Departments.

15. Mr. N. Neelakantan, Secretary, Rly. Board.
16. Mr. H.C. Gupta, ICS., Dy. Secy. W.M.P. Dept.

---Secretary - Member.

2. The minutes of the previous meeting were confirmed but it was pointed out by Col. Currie that information had been received from Mr. V.P. Menon that 15th morning was considered inauspicious for the swearing-in ceremony. Further enquiries were in progress and it was likely that the ceremony may be fixed for one minute past mid-night between 14th and 15th August.

3. Lala Deshbandhu Gupta raised the question of the arrangements for the flag hoisting ceremony at the Red Fort. It was provisionally considered after discussion that the timings of different ceremonies might be as follows, if the swearing-in-ceremony came off at mid-night-

15th August- 8 a.m. to 9 a.m.-Ceremonies in the Constituent Assembly.
9.30 a.m. - Flag hoisting at the Red Fort.
10.30 a.m. - Flag hoisting at the New Delhi Municipal Committee.

NATIONAL ARCHIVES OF INDIA

(44)

4. Lala Deshbandhu Gupta suggested that there should be a march-past by troops or mechanised units in the Red Rort and also that march by troops should be arranged in the city on the 15th morning. Col Currie was rather doubtful if such a crowded programme for troops could be carried through. After discussion it was suggested that Lala Deshbandhu Gupta might take up the question with the Defence Department who in the original meeting at H.M. W.M. & P's house were given the responsibility for Flag Hoisting at the Red Fort.

5. Col Currie gave an outline of the Governor-Gneral's programme on the 15th and it was agreed that he and Mr. Tyabji will settle the details of seating in the Constituent Assembly. It was estimated that for the after-dinner Reception in Government House about 1,000 people would be invited.

6. Flag Hoisting Ceremonies. Mr. Hussain undertook to arrange with the A.I.R. for the provision of Indian orchestra for singing National songs for 10 minutes by the staff parties and girls. Arrangements for loud speakers will have to be made by the C.P.W.D. at Princes Park. A rehersal of the ceremonies at Princes Park will be undertaken by mutual arrangement between C.P.W.D. the Military and Police authorities, whenever Col Currie suggests.

7. Review of Sub-Committee's work -

(i) Flag Hoisting - It was reported that pure Khadi flags were desired for the principal Government buildings and Mr. Barman was asked to arrange accordingly. He undertook to specify the prices and measurements of different kinds of flags within a day or two.

(ii) Mela, Fire Works and sweats. S.B. Bahadur Singh and the Superintendent of Education stated that Rs.15,000/- would be required for distribution of sweats to

P.T.O.

(45)

to primary school and childrens' convents and this amount was considered reasonsable on the basis of about -/4/- per child. The sweats should be distributed on the 15th morning. It was re-affirmed that about 70,000 medals will be distributed free to each school student, preferably on the 15th morning, and if they are not received by that time, on the 19th morning, when schools reopen. The proposal to allow installation of some joy-ride wheels, water stalls and other incidental amenities, at a rough estimate of upto Rs.2,000/-, on 15th evening was agreed to.

(iii) Invitations. 1. Mr. B.S.Puri,OBE.,ISE., Chief Engineer,C.P.W.D.(Chairman).
2. Mr. Y.K.Puri,ICS., Deputy Secretary Finance Department.
3. Mr. H.C.Gupta,ICS., Deputy Secretary,W.M.P.Dept.(Secretary).
4. Mr. L.R.Sethi, Superintendent of Education,Delhi.
5. Mr.Robey,Elect.Engineer,C.P.W.D.
6. Sardar Bahadur Bahadur Singh.

Khan Bahadur Sh.Habubur Rahman, OBE., President,Delhi Municipal Committee, Lala Deshbandhu Gupta and a representative of Durala Sugar Mills were also present by a special invitation.

2. Sweets. After a discussion it was decided that it would be more convenient and practicable to distribute packets of toffees and lemon-drops and lozenges - 24 numbers in each packet - to school students rather than Indian sweets, specially as it was reported that adequate sugar and 'Besan' would not be available. These packets would be marked with National Flag and "Jai Hind" in Hindi and Urdu. 70,000 of these would be given to the Superintendent of Education, Mr. Sethi, who would arrange to get them direct at his office and arrange for disctibution to all schools, Convents,etc. in Old and New Delhi on 15th morning.

3. Medals. After discussion it was considered that the following arrangements would be most appropriate for distribution of Independence Medals -

70,000 medals to be sent by C.P.W.D. to the Office of the Superintendent of Education for free distribution to all school students in all schools and Convents,etc. in Old and New Delhi and in Delhi Province,

20,000 to be sold to the Chief Commissioner,Delhi, for Rs. 5000/- in lump. He may kindly make arrangements for

collecting them on 14th morning from Chief Engineers' C.P.W.D.'s Office and disposing of them.

10,000 to be sold to Central Government servants at -/8/- each through the Civil Grocery Shop, North Block Sectt.

4. Fire works. Sardar Bahadur Bahadur Singh and the President, Delhi Municipal Committee, stated that the estimate for fire works at the Great Place and Red Fort together stood at Rs.7,500/- approximately. The responsibility for the work will lie with the Delhi Provincial Celebrations Committee, of which the Chief Commissioner is the President-in-Chief and Khan Bahadur Habibur Raman is Chairman. A detailed estimate should be sent to this Department by the 9th inst. for sanction.

5. Flood lighting. Mr. Robey stated, in the absence of Mr. Gateley, that the estimate stood at Rs.25,000/-. It was pointed out by Mr. Gupta, and generally felt by the Committee, that the estimate was much too high and needed close checking, specially as a lost of expenditure was included for replacement of missing parts, holders, switches, etc. in the C.P.W.D. equipment. After discussion it was also decided that the principal gate of the Red Fort and Kashmiree Gate, Ajmeree Gate and Delhi Gate, should also be either flood- lit or otherwise decorated with multi-colour lights or illuminated flags. Mr. Gateley is requested to make necessary arrangements in consultation with Mr. Barman.

6. Feeding of poor. Mr. Gupta informed the Committee of a request received from the Delhi Provincial Celebrations Committee for Rs.5000/- towards feeding the poor and orphans, on 15th August morning. The Committee agreed that the idea needed encouragement and that Rs.5000/- was reasonable as a donation from Central Government for the purpose, This may be included in the estimates.

7. It was requested on behalf of the Delhi Provincial Celebrations Committee that the C.P.W.D. should also undertake

the arrangements of barricading, etc., to be put up at the Red Fort for the Flag Hoisting Ceremony on the 16th morning. This was agreed to and Messrs.Puri,Barman,Deshbandhu Gupta and Habibur Rahman arranged to visit the site on the 6th morning.

8. It was considered that I.& B.Department should make suitable arrangements for giving continuous publicity through the Press and Radio to all the arrangements and timings for the celebrations being fixed up by different public bodies.

Flood lighting. After discussion it was decided to ask Mr. Gateley to arrange for as much flood lighting as possible on the Council Chamber and the Constituent Assembly Hall on the night of 14-15th August. It was appreciated that there is lack of equipment, but the best possible arrangements should be made in addition to lighting of car parks, verandahs and corridors.

2. Independence Medals. A sample of the medal was seen and appreciated and it was resolved to send a letter of thanks to Major Deane, Mint Master, Bombay, for the promptitude with which the work has been completed. It was decided to present members of the diplomatic corps with these medals at the India Gate ceremony from the Central Govt. quota.

3. India Gate ceremony invitations. It was decided to attach a copy of the programme with the invitations issued to each officer. After discussion it was decided that the quota of the Delhi Provincial administration would be increased to 1000 from 800 seats. It was not found possible to go beyond this figure.

4. Sweets. The letter from the Chairman, Delhi Municipality, for an extra 5,000 packets of sweets for unaided schools was considered and Supt. of Education.....

Education was consulted. It was noted that Lala Deshbandhu Gupta has already informed the suppliers to arrange for an extra 5,000 packets and this was concurred in.

5. Flag Hoisting. The letter from the Estate Officer seeking the Committee's concurrence to flag hoisting on Estate Office by some invited guest was considered and it was felt that since in the interest of uniformity of procedure, the Central Public Works Dept. has already been instructed to hoist flags on all Government buildings, the same procedure had better apply to Estate Office. A copy of the proceedings may be sent to the Estate Officer for information.

6. Grant for Red Fort function. At the request of the Delhi Provincial Celebrations Committee it was agreed that up to Rs. 4,000/- could be made available for expenses after checking of accounts and necessary certificates by the Financial Adviser, Delhi Province.

7. In pursuance of a request from the Director of Health Delhi Provincial (Col. Fraser), it was decided that up to Rs. 1500/- could be spent on special feeding of indoor patients in all the Delhi Hospitals on 15th August. In the first instance, the extra expenses may be debited to the hospital accounts and Col. Fraser would be responsible for detailed distribution and subsequent proposals for recouping the amount.

8. Illumination grants. An expediture of Rs. 1,000/- was agreed to for Central Government buildings illuminations in Bombay and Rs. 500/- in Ajmer.

9. The Finance Department concurrence of previous estimates was noted.

PRESENT :

1. Mr.B.S. Puri, OBE,ISE, Chief Engineer,C.P.W.D. (Convener)
2. Col. D.H. Currie, CIE,CBE,MC, Military Secretary to H.E. the Viceroy.
3. Mr. B.F.H.B. Tyabji, I.C.S., Deputy Secretary, Constituent Assembly.
4. Mr. T.P. Gateley, M.B.E., Superintending Engineer, Central P.W.D.
5. Mr. S. Neelakantam, M.B.E., Deputy Secretary, W.M.P. Department. (Member-Secretary).

Sardar Bahadur Bahadur Singh and Messrs. R.P. Barman,ISE and D.R. Bahl were also present by invitation.

2. The place where the swearing-in ceremony should be held was at first considered. Mr.Tyabji stated that the President of the Assembly would prefer that the first formal function of His Excellency on the 15th August should be an address to the Members of the Constituent Assembly as a representative of the British Government or H.M. the King but not as Governor General; and that the swearing-in ceremony might follow in the Constituent Assembly Hall itself. Col. Currie was requested to take up the matter with the appropriate authorities and intimate where the swearing-in ceremony is finally decided to be held. In the event of the ceremony being held in the Constituent Assembly Hall, he (Col. Currie) was requested to decide in consultation with the President of the Constituent Assembly and Home Department in what room of the Council Chamber the ceremony is to be held.

3. Mr.Tyabji suggested the Flag Salutation ceremony to be held in the premises of the Irwin Stadium. Some members expressed a doubt if the premises could accommodate the principal guests and officials and the general public of about 50,000 to 100,000. The members of the Sub-Committee inspected the Irwin Stadium and other grounds near the War Memorial Arch and considered the Princes Place adjoining the King Edward Statue to be most suitable.

4 ... ...

NATIONAL ARCHIVES OF INDIA

4. It was suggested by Mr.Tyabji that souvenirs made of metal or rosette should be got prepared and sold on a fairly large scale on that day. Sardar Bahadur Bahadur Singh was requested to examine and offer his views on the feasibility of the proposal.

5. In para 2(d) of the minutes of the meeting held on the 21st July 1947 it was stated that H.E. would hoist the National Flag to the accompaniment of the firing of guns. Col. Currie stated that it was not customary for H.E. to do it, and that such work could be entrusted to some one else. Mr.Puri was requested to clear up this point in consultation with Home Department.

6. When the Union Jack is hauled down and Royal Salute is given, the band would play 'God Save the King'. It was considered appropriate for the band to play the national anthem on the hoisting of the National Flag. Mr.Puri was requested to obtain the opinion of the higher authorities.

7. It was estimated that 70 flags of the size of 12' x 6' would be required immediately for their being hoisted on Government buildings and other public places. Mr.Tyabji promised to send a sample of flag to Mr.Puri. Mr.Barman was asked to take immediate steps for the manufacture of these flags. It was also agreed that the Defence Department should make arrangements for the flying of the National Flag on the Red Fort on the 15th of August 1947.

8. There was a suggestion whether a military talloo could be held and mass bands played on the conclusion of the actual flag-hoisting ceremony. Col. D.H. Currie was requested to examine the possibility of holding them and send a note early to the Sub-Committee.

9. There was then general discussion about the detailed arrangements to be made in connection with the celebrations and the following committees were appointed
